9. If your entry is bigger than the space allotted contact a PARADE OFFICIAL. It is important that we keep the parade in ORDER. Do not make other entries move because you didn't estimate correctly.

10. **When the parade begins and if you are number one in your section DO NOT MOVE until you have been dismissed to begin by a PARADE OFFICIAL. Do not attempt to "fill" in or move forward. Stay put until you are told to move. Thank you!**

11. Any misconduct during line up shall result in your entry not participating in the parade. There will be no fighting amongst entries over any subject matter. You will treat all volunteers with respect and conduct yourselves in an orderly fashion. Any concerns that you have will be directed toward the Parade Chair and not amongst yourselves. In the event that you have a concern you may contact the parade chair on her cell phone (402-641-8912) and she will be glad to hear your concerns and find a comprimisable solution. If there is ***any*** argument with the Parade Chair and/or any Parade Official's decision you will **NOT** participate in the parade. Assignments and Measurements are made based upon information given on the forms that you have filled out. That is another reason why it's important to be as accurate and informative as possible.
