Rich in community history, this celebration has grown to state and national attention, emphasizing the total community effort. This example of "small town" America celebrating as it has for one hundred forty three years, will again happen on July 4, 2011, and we invite you to share this day with us, if not in person, at least in spirit! **Named Nebraska's Best Festival 2005, 2006 & 2007, three years in a row! A three-peat!**
